1. INTRO.

- a. The Board of Directors, on behalf of the members of the Perez Acres Homeowners Association (PAHA), welcomes you to Perez Acres, one of the finest residential developments in Guam. The Board has prepared this PAHA Manual to ensure that you, homeowner or tenant, are aware of the Rules and Regulations that govern the Common Area and its facilities, and the personal conduct of the homeowner, tenant, and their guests within Perez Acres.
- b. **The Association was formed in 1974 to provide Perez Acres homeowners with the means to provide for the maintenance, preservation, and architectural control of the exterior of the buildings and Common Area.** At present, an elected seven-member Board of Directors governs PAHA. The Board members serve for a two-year term. PAHA normally holds one General Membership meeting in March of each year, at which time the Board presents the proposed annual budget for the Association. Also, during the March meeting, vacant positions, (alternating between three and four every other year), on the Board of Directors are filled by a General Membership election. Special General Membership meetings can be called from time to time.
- c. The Board of Directors meets at least once a month at the Manager's Office, adjacent to Pool #1, on South Cupa Court. Board meetings are open to all of the members of the Association. If you wish to attend the next Board meeting, please call the **PAHA Manager, at (671) 653-2014**, for the date and time. If a member desires to speak at a Board meeting, they are required to call and schedule for a time on the agenda.
- d. The Board employs a managing agent, Century 21 Realty Management (671-647-5003), and a site manager to maintain and preserve the exterior of the buildings and the Common Area and enforce the House rules and Policies. The Board appoints members to an Architectural Review & Landscape Control Committee to maintain architectural and landscape controls within Perez Acres.
- e. The Board derives its authority from the Perez Acres Homeowners Association's Articles of Incorporation, By-Laws, and Declaration of Covenants, Conditions, and Restrictions (CC&R). These documents are available for review at the Managers office or at our website – www.perezacresguam.org.
- f. **The Board adopts and publishes rules and regulations governing the use of the Common Area and its facilities, and the personal conduct of the members, their family, tenants, and guests. Listed below are the established penalties, for the infraction of these rules and regulations. The Board will hold homeowners personally responsible for their behavior and that of their family, tenants, and guests. This manual's intention is to maintain a quality of life that homeowners are committed to; in order to maintain and enhance the value of the property owned by all of the homeowners at Perez Acres.**

II. INFRACTION OF THE RULES AND REGULATIONS (PAGE #3).

- 2. INFRACTION OF THE RULES AND REGULATIONS.** The Board (or its designee) will use the following procedures to enforce the Rules and Regulations governing the use of the Common Area, **including exterior building modification and landscaping.**
- a. **STEP ONE.** Written notice of the infraction, (in the form of a violation letter), will be mailed to the homeowner and a copy delivered to the residence. The homeowner, (not the tenant), may challenge the violation within 30 days, (this challenge must be in writing). If the homeowner makes a challenge, the Board may modify their position or disallow the challenge with written notification to the homeowner.
 - b. **STEP TWO.** If the infraction continues after 30 days, a second written notice will be sent to the homeowner via registered/certified mail or email.
 - c. **STEP THREE.** If after 24 hours from the receipt or attempted delivery of the registered letter or email, the infraction continues, the Board may impose one or more of the following penalties:
 - (1) Rescind the privileges to use the Common Area.
 - (2) The Board may authorize physical removal and/or reconstruction so that the exterior of the building is returned to PAHA standards. The cost of this will be charged to the homeowner's account.
 - (3) PAHA employees will remove personal items left in the common area, after a notice has been given to remove these items and the owner or tenant has failed to remove them.
 - (4) Impose a fee of \$25 per month till the infraction is resolved to the Board's satisfaction.

3. HOMEOWNERS' FEES.

- a. Fees are due in full on the first of each month for the month they are being billed and past due and delinquent after the 10TH of the month. The Board has voted to levy a late fee penalty of \$25 if the dues are not received by the end of the month this fee includes Section 8 (Effect of Nonpayment of Assessments. Remedies of the Association), of Article IV (Covenant for Maintenance Assessments) of the PAHA CC&R which reads. *"Any assessments not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of six percent (6%) per annum. The Association may bring an action at law against the Owner personally obligated to pay the same or foreclose the lien against the property. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his lot "*
- b. If homeowners' fees become delinquent, they will be sent the following timed notices.

- (2) When arriving at the guardhouse, press the remote control to open the gate. The gate will automatically close after each vehicle entering.
- (3) When leaving Perez Acres, the exit gate will automatically open and then close after your vehicle has exited.

- (3) Residents' guests will have the option of scrolling through the street addresses to find the resident they wish to visit, or they can enter the resident's directory number, if it was given to them. Either of these procedures will cause the entry telephone system to connect to the resident's home telephone. system to work.)

d. Deliveries and/or Service Calls:

e. Emergency Vehicle Access:

- (1) Emergency vehicles requiring access to Perez Acres are able to communicate with security's Dispatch Center by entering the three-digit code " 001 " into the entry telephone system at the guardhouse. This will cause the entry telephone system to connect to the security's Dispatch Center where they will be able to open the gate of the emergency vehicle(s).
